

## RHINO-TURF VT60

A superior turf system with suitable shockpad making it the aspirational product of all professional rugby and football clubs looking for the ONE turf to meet both WR and FIFA top international standards.

Using the innovative *Rhino-Turf Thatch Concept* we have a fully integrated root zone protection for the profiled monofilament yarn fibres, offering infill stability leading to infill splash reduction which results in less infill migration and a more uniform playing field. A safer system with **STRENGTH IN PERFORMANCE**.
