

PowerTurf PT45

The PowerTurf (PT45) product is designed with 5-a-side Football in mind. Using a new Ultimate Yarn with a higher Dtex and a thicker Tape, it achieves double the strength of standard yarns. Where FIFA 2* standards are achieved after 20,000 cycles on the Lisport, the new Ultimate yarn still looks good after 100,000 cycles.

With 5-a-side facilities being used 24/7 all year round then we are confident that our PowerTurf range provides **STRENGTH IN PERFORMANCE** play well in excess of 5 years.

SPECIFICATION			
APPLICATION	5 A-Side Football	PILE HEIGHT	45mm
WARRANTY	5 Years	GAUGE	5/8th
COMPOSITION	PE	STITCHES / lin m	140
STRUCTURE	Monofilament	STITCHES / sqm	8820
